Girls Like You
Miguel

Put a Capo on the first fret to play in the same key

[Chorus:]
```
            F#maj7                         G#    Bbm       F#maj7
Girls like you remind me that I m lonely, yeah
                    G#    Bbm
Remind me that I m lonely
        F#maj7
No one to play Connect 4 with me
G#          Bbm
I declare war with me
F#maj7
Knocked out and snore
              G#               Bbm
From rolling around in my bed
```

[Verse]

```
F#maj7    G#          Bbm
Someone, anyone to listen
   F#maj7                        G#     Bbm
I feel like I m missing the real thing
              F#maj7
Tell me where I go
What I got a few
              G#             Bbm
I can always call when I m ready
      F#maj7                     G#     Bbm
But I feel like I m wasting my time, yeah
```

```
Ebm7              Bbm7         Fm7   Bbm7
 Cause my heart beats are empty
    Ebm7  Bbm7        Fm7
So once in awhile, I remember
```

[Chorus]

```
            F#maj7                     G#   Bbm        F#maj7
Girls like you remind me that I m lonely, yeah
                    G#    Bbm
Remind me that I m lonely
        F#maj7
No one to play Connect 4 with me
G#          Bbm
I declare war with me
F#maj7
Knocked out and snore
```

```
            G#                  Bbm
From rolling around in my bed

[Verse2]
              F#maj7
I don t wanna think, I just wanna drink
                G#                Bbm
 Cause I m overcomed by this notion
              F#maj7
Don t you know I m real, baby can t you tell
                G#               Bbm
But you got a hole in your heart
      F#maj7
And I probably would dismiss it
    G#            Bbm
The truth that I miss you for real
F#maj7
Hook-ups are through,
G#                        Bbm
 Til I see a girl like you

Ebm7              Bbm7         Fm7   Bbm7
 Cause my heart beats are empty
    Ebm7   Bbm7      Fm7
So once in awhile, I remember

[Chorus]

      F#maj7                    G#    Bbm       F#maj7
Girls like you remind me that I m lonely, yeah
                    G#     Bbm
Remind me that I m lonely
        F#maj7
No one to play Connect 4 with me
G#         Bbm
I declare war with me
F#maj7
Knocked out and snore
            G#               Bbm
From rolling around in my bed

[Bridge]

F#maj7
Beautiful girls
  G#               Bbm
Intelligent girls
F#maj7
Collate girls
  G#              Bbm
I hate you (yeah, I hate you)
      F#maj7
But the truth is I want you
```

```
      G#
And I need you
        Bbm                   F#maj7
What s the very best way to reach you

I beseech you
          G#                      Bbm
 Cause I m looking for something real

Ebm7              Bbm7        Fm7  Bbm7
 Cause my heart beats are empty
    Ebm7  Bbm7        Fm7
So once in awhile, I remember

[Chorus]

        F#maj7                     G#    Bbm       F#maj7
Girls like you remind me that I m lonely, yeah
                    G#     Bbm
Remind me that I m lonely
        F#maj7
No one to play Connect 4 with me
G#           Bbm
I declare war with me
F#maj7
Knocked out and snore
            G#              Bbm
From rolling around in my bed
```
