Em G C (x2)

Em G C
Reach the city steps tonight

Em G C
Following the power lines

Em G C
Met a man barside

Em G C
With eclipses for eyes... etc, etc.

And you tell yourself you wont let them touch
Did I say too much did i say enough
I don t know Sylvia
I don t know Sylvia

Circle round the room still
Often breaking my will
Know I can t have you here
Someone else on your skin
And it s all my fault for not getting off
So you made it start, can you make it stop?
You don t know Sylvia
You don t know Sylvia

Daamn
Daamn

Reach the city steps tonight
Following the power lines
And your skin is so white
Underneath the black night
And your voice cries out for the Coup de grace
When the lights go out... will there be a trace ?
That I love, Silvia
That I loved, Silvia
That I loved, Silvia
