Capo 4Â°!

**Am7**

**D7**

He s got looks that books take pages to tell

**G**

**Em7**

He s got a face to make you fall on your knees

**Am7**

**D7**

He s got money in the bank to thank and I guess

**G**

**Em7**

You could think he s livin at ease

**A7**

Like lovers of the open shore -- What s the matter?

**A7**

When you re sitting there with so much more --What s the matter?

**A7**

When you re wondering what the hell to do

**G**

**Em7**

Are you wishing you were ugly like me?

BRIDGE

**A7**

**D7**

Blame it on the girls who know what to do

**G**

**Em7**

Blame it on the boys who keep hitting/hating? on you

**A7**

**D7**

Blame it on your mother for the things she said

**G**

**Em7**

Blame it on your father but you know he s dead

**A7**

**D7**

Blame it on the girls

**G**

**Em7**

Blame it on the boys

**A7**

**D7**

Blame it on the girls

**G**

**Em7**

Blame it on the boys

**A7**

**D7**

Life could be simple but you never fail

**G**

**Em7**

To complicate it every single time

**A7**

**D7**

You could have children and a wife, a perfect little life

**G**

**Em7**

But you blow it on a bottle of wine

**A7**

Like a baby you re a stubborn child -- what s the matter

**A7**

Always looking for an axe to grind -- what s the matter

**A7**

While you re wondering what the hell to do

**G**

**Em7**

We were wishing we were lucky like you

**A7**

**D7**

Blame it on the girls who know what to do

**G**

**Em7**

Blame it on the boys who keep hitting/hating? on you

Blame it on your mother for the things she said

Blame it on your father but you know he s dead

Blame it on the girls

Blame it on the boys

Blame it on the girls

Blame it on the boys

Life could be simple but you never fail

To complicate it every single time

You could have children and a wife, a perfect little life

But you blow it on a bottle of wine

Blame it on the girls

Blame it on the boys

Blame it on the girls

Blame it on the boys
