

Celebrate

MIKA

Please note: this is the tab for the acoustic version of Celebrate by Mika (not the radio or album edit), as in the Deluxe International Edition of Origin of Love Album (disc 2, track 1)... if you haven't listened to it yet, check that out, it's stunning great! :)

Suggestions: You can play Am as Am7, to make it sound more acoustic. You can also play Am7 and C with fifth finger on the the third bar of high E string - i.e. Am7 x02013 and C x32013. Enjoy!
