And you know
Heroes aren't meant to survive
So much harder to love when alive
Walk with the devil in your head
You would think you were better off dead

Pre-Chorus:

And you don't understand
Why no one else can see

Chorus:

Your blood on me
And my blood on you
But to make you bleed
Is the only thing I wouldn't do

Where can you go?
We fight we earn
We never learn
And through it all
The hero falls

I wish there was a way
To give you a hand to hold
You don't have to die in your glory
Die to never grow old

Chorus:

F **C**
Your blood on me
Dm **Bb**
And my blood on you
F **C**
But to make you bleed
Dm **Bb**
Is the only thing I wouldn't do (repeat once)

F C Dm Bb (fire, fire, fire)
