MIKA

Beautiful, beautiful song. Capo 1st on the original track.

Intro: **Bm D A G Bm**

Bm   **D**   **A**
I m sitting across from you, I m dreaming of the things Iâ€™d do
          G   **Bm**
I don t speak, you don t know me at all
Bm   **D**   **A**
For fear of what you might do, I say nothing, but stare at you
                G   **Bm**
And I m dreaming, I m tripping over you

D   **A**   **C**
Truth be told, my problemâ€™s old
                         G
You mean the world to me but you ll never know
D   **Am**   **C**   **G**
You could be cruel to me, why go risking the way

Chorus:
           D Am   **C G**   **D Am**   **C G**
That I see you, that I see you, that I see you, that I see you,

That I see -

Bm   **D**   **A**
Conversationâ€™s not me at all, Iâ€™m hesitating only to fall
          G   **Bm**
And I m waiting, I m hating everyone

D   **A**   **C**   **G**
Could it be you feel for me, in any possible similarity?
D   **Am**   **C**   **G**
If it s so, how would I know? You never know me at all,

           D Am   **C G**   **D Am**   **C G**
But I see you, but I see you, but I see you, but I see you (repeat)

(I m standing across from you, I dreamt alone, now dreams wonâ€™t do (4x))

D   **A**   **C**
Truth be told, my problemâ€™s old
                         G
You mean the world to me but you ll never know
D   **Am**   **C**   **G**

You could be cruel to me, why go risking the way

```
          D  Am           C  G          D  Am           C  G
