G Cadd9 Em7 F

G D

You talk about life you talk about death and everything in between

C D
Like its nothing....and the words are easy

G D

You talk about me and talk about you and everything I do

C D
Like Its Something....that needs repeating

G A C

I Don t need an alibi or for you to realize

D
G
the things we left unsaid, are only taken space up in our heads

G A
C
Make it my fault, win the game point the finger, place the blame

D
it does me up and down, it doesn t matter now

G C D G
Coz I don t care if I ever talk to you again

Em A C D G
this is not about emotion, i, need a reason not to care

C D G
what you say or what happened in the end

Em A C D G
this is my interpretation and you don t... don t exist

G Cadd9 Em7 F

G D
The first two weeks turn into ten I hold my breath and wonder

C D
when it ll happen...does it really matter

G D
If half of what you said is true and half of what I didn t do

C D
could be different...would it make it better

G A
C
If we forget the things we know would we have somewhere to go

D
the only way is down, i can see that now

G C D G
Coz I don t care if I ever talk to you again

Em A C D G
this is not about emotion, i, need a reason not to care

C D G
what you say or what happened in the end

Em A C D G
this is my interpretation and you don t... don t exist

D C D

Em D C
Its really not such a sacrifice...

G C D G
if I ever talk to you again

Em A C D G
this is not about emotion, i, need a reason not to care

C D G
what you say or what happened in the end

Em A C D G
this is my interpretation and you don t... don t exist

G, C, D, G, G/F#, Em, A, C, D

G C D G
It don t have to make no sense to you at all

Em A C D G
this is my interpretation, yeah yeah yeah.

G Cadd9 Em7 F

End on A G.
