

Stardust

MIKA

Capo on 2nd

[Dsus2/E sounds good on keyboard, on guitar you can either play that or a plain E instead]

[Intro:]

B E G#m Esus2/F#

**B E G#m Duss2/
F#**

I could be staring at somebody new, but stuck in my head is a picture of you

B E G#m Duss2/F#
You are the thunder, I was the rain, I wanna know if I ll see you again

**B E G#m Duss2/
F#**

I said I love you, you said goodbye, everything changes in the blink of an eye

**B E G#m Duss2/
F#**

It s been a while, I still carry the flame, I wanna know will I see you again

B E G#m Duss2/F#
See you again, see you again

B E G#m Duss2/F#
Want you to know, what you mean to me. What will it take, take you to see?

B E G#m F#
I could put a little stardust in your eyes, put a little sunshine in your life

B E
Give me a little heart to feel the same

G#m F# B
And I wanna know will I see you again (will see you again)

B E
I ve seen that before, cause you re not even there

G#m F#
I m writing this song and you don t even care

B E
Throw me a lifeline and open my door

G#m F#
And pick up my heart that you left on the floor

B E G#m F#
On the floor, on the floor

B E G#m F#
Want you to know, what you mean to me. What will it take, take you to see?

I could put a little stardust in your eyes, put a little sunshine in your life

Give me a little heart to feel the same
And I wanna know will I see you again (will I see you again)

Funny How the time goes rushing by, and all the little things we leave behind
But even then in everything I do, is a little bit of me, a little bit of you

E F# G#m B
When will I see you again? - When will I see you again?
E F# G#m F#
When will I see you again? - When will I see you again?

I could put a little stardust in your eyes, put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know will I see you again (will I see you again)

I could put a little stardust in your eyes, put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know will I see you again (will I see you again)

G#m E B F#
Funny How the time goes rushing by, and all the little things we leave behind
G#m E B F#
But even then in everything I do, is a little bit of me, a little bit of you
B E G#m Duss2/F#
When will I see you again? When will I see you again? When will I see you again?
