

Step With Me

MIKA

Great song! I noticed there weren't any tabs, so I figured I would make one.  
Hope this helps!

**G** **C**  
Is this happening to me?  
**G** **D**  
Have I lost all my defenses?  
**G** **C**  
Should I wait around and see  
**G** **D**  
What it's like to lose my senses?

**G** **C**  
Always looking for a chase  
**G** **D**  
From the high ground to the ditches  
**G** **C**  
But the chase I'll never miss  
**G** **D**  
Now I know what happiness is

**G** **C**  
This love's delicious  
**G** **D**  
Like home-cooked dishes  
**G** **C** **D**  
I'm tasting mischievously

**G** **C**  
Step 1, come a little closer  
**G** **D**  
Step 2, rest upon my shoulder  
**G** **C**  
Step 3, I'm calling you baby  
**G** **D**  
Three steps away from me  
(Three steps, three steps)

**G** **C**  
Step 4, we can get married  
**G** **D**  
Step 5, top it with a cherry  
**G** **C**  
Step 6, as good as it gets

**G** **D**  
Now come along and step with me  
(Three steps, three steps)

**G** **C**  
Sun is shining up ahead  
**G** **D**  
In thirty years we ll still be happy  
**G** **C**  
Making movies in my head  
**G** **D**  
Making Hollywood look tiny

**G** **C**  
Don t know why but all your words  
**G** **D**  
Sound just like a melody  
**G** **C**  
From the pieces that I ve heard  
**G** **D**  
I could build a symphony

**G** **C**  
This love s delicious  
**G** **D**  
Like home-cooked dishes  
**G** **C** **D**  
I m tasting mischievously

**G** **C**  
Step 1, come a little closer
