

We Are Golden

MIKA

C **F** **Am** **G**
teenage dreams in a teenage circus
C **F** **Am** **G**
running around like a clown on purpose
C **F** **Am** **G**
who gives a damn about the family you come from
C **F** **Am** **G**
no giving up when you re young and you want some

C **F** **Am** **G**
running around again
C **F** **Am** **G**
running from running

C **F**
waking up
Am **G**
in the midday sun
C **F**
what s to live for?
Am **G**
you could see what I ve done
C **F**
staying out of motion
Am **G**
in the light of day
C **F**
I was hiding
Am **G**
from the things that you d say

C **G** **F**
we are not what you think we are
C **G** **F**
we are golden, we are golden
C **G** **F**
we are not what you think we are
C **G** **F**
we are golden, we are golden

C **F** **Am** **G**
teenage dreams in a teenage circus
C **F** **Am** **G**
running around like a clown on purpose
C **F** **Am** **G**
who gives a damn about the family you come from
C **F** **Am** **G**

no giving up when you re young and you want some

C F Am G
running around again
C F Am G
running from running
C F Am G
running around again
C F Am G
running from running

C F
I was a boy
Am G
at an open door
C F
why you staring
Am G
do you still think that you know
C F
looking for treasure
Am G
in the things that you threw
C F
like a magpie
Am G
I live for glitter, not you

C G F
we are not what you think we are
C G F
we are golden, we are golden
C G F
we are not what you think we are
C G F
we are golden, we are golden

C F Am G
teenage dreams in a teenage circus
C F Am G
running around like a clown on purpose
C F Am G
who gives a damn about the family you come from
C F Am G
no giving up when you re young and you want some

Am F
now I m sitting alone
C
and I m looking for help
G
left here on my own
Am

I m gonna hurt myself

F

many years have gone by

C

I m still wondering why

G

heaven let the world

C

let it bleed me dry

C

we are not what you think we are

we are not what you think we are

we are not what you think we are

we are golden, we are golden

C

F

Am

G

teenage dreams in a teenage circus

C

F

Am
