Mikal Cronin

Chord notes:

Mikal seems to play most of the song as barre chords.

Most of the fancier chords have a multitude of viable fingerings - And I m not sure if I ve named Eaddb7 correctly. If anyone wants to correct me feel free!

The A Asus4 Asus2 section should be played

A	Asus4	Asus2	
e -0	0	0	
В -2	3	0	
G -2			
D -2			
A -0			
E -x			

And Eaddb7 is

```
e | ---0--- |
B | ---3--- |
```

G | ---|

D | ---2--- | A | ---2--- |

E | ----|

Intro:
