**A**  
Woman I just want to tell you  
**G**  
That the look on my face  
**Bm G D A**  
Is not the way I feel inside  
**A G Bm**  
If you knew all the things I do for you go thru for you  
**G D**  
It would make you surprised  
**Bm E**  
Sometimes a man s hope is gone  
**Bm E**  
But he s got to carry on  
**G A D**  
But you just don t realize  
**A G**  
All the money that I make that you burn  
**Bm**  
So hard to earn  
**G D A**  
It don t come from the skies  
**A**  
And if you knew all the things

**G**  
 I think about  
     **Bm**  
 Girl I don t have to shout  
**G**                    **D**  
 You can see it right there in my eyes  
**Bm**                                **E**  
 When I need a place to hide  
**Bm**                                **E**  
 And you re not by my side  
**G**    **A**                    **D**        **D7**

**G**                    **A**                                **D**  
 There is only one way for her to be

Wait a minute  
**F#**                                **Bm**    **A**        **G**  
 Care about care about yea yea yea

 Why can t she see  
**A**  
 Woman I just want to tell you one more time  
                               **G**  
 That that look on my face  
     **Bm**                    **G**                    **D**  
 Is not the way I feel inside  
**A**    **G**  
 And if you knew all the things I go thru for you  
**Bm**                    **G**                                **D**  
 Do for you it would make you surprised  
**Bm**    **E**  
 Sometimes a mans hope is gone  
**Bm**                    **E**  
 But he s got to carry on
