

When I Box The Days Up
Mike Doughty

So this is my best guess. I believe these chords to be fairly spot on. If anyone else has a better ear for it then please feel free to contribute:

Intro- **Em, B5, F#5**

Verse-

Em	B5	F#5	G#5
I fell in love with the day drunk			
Em	B5	F#5	
yeah, the whole day long			
Em	B5		
well, she kissed the book			
F#5	G#5		
all the morning through			
Em	B5	F#5	G#5
and then she sang out the words to the wrong song			

The intro chords play out in-between verses and choruses

Chorus-

G#5	F#5	Em
and when I box the days up		
C#5	G#5	
yeah, when I box the days up		
F#5	Em	
oh when I box the days up		
C#5		
when I box the days		

If you play along you can gather the rhythm and chord placement. Have fun!
