(Sing the Oâ€™s)

Em **C**
Well, donâ€™t be so rational,â€•
G **D** **Em** **C** **G** **D**
Iâ€™d rather that than casually throw all my dreams away.
Em **C** **G**
D
Lifeâ€™s not some ship you sail only when youâ€™re feeling passionate,
Em **C**
Youâ€™re in it, youâ€™re in it,
D
So get some courage, kid, and why donâ€™t you grow up?

C **Em** **D**

Pre Chorus

Em **C** **D** **Em**
And all I ever wanted to be was in your stereo,
Em **C** **D**
That kissed your ears in your sleep.
Em **C** **D** **Em**
But Iâ€™m no Romeo, in fact I think I barely know
Em **C** **D**
Nothing about anything.

Chorus

Em **C** **D**
But if weâ€™ll take this passed the edge and let go,
B
I think weâ€™ll find what weâ€™re looking for x2

Intro x2

Em **C** **G** **D**

Iâ€™ve got a dream catcher above my bed,
Em **C** **G** **D**
C

So I can shake the demons out of my head and get some sleep.
Em **D**

I think that's what I need.

Pre Chorus

Chorus

Intro x2

I've got a crucifix above my bed,

So I forget not to pray when I go to bed,

But that can't save me.

No it can't save me.

It's not the wood that saves,

It's the Man who came and wore it.

It's not the cross that saves,

It's the Man who came and wore it,

And he wore it well. He wore it well.

And then He said

All I ever wanted to be was in your stereo,

That kissed your ears in your sleep.

But Lord, but I'm no Romeo, in fact I think I barely know

Nothing about anything.
