

**Marleigh's Song**  
**Mike McClure**

Capo 1

**E** **A**  
I used to live in a world where I let nobody in  
**B7** **E**  
Then there was you and you gave my heart a spin  
**E** **A**  
Now it flies around the sun sometimes and around the moon every now and then  
**B7** **E**  
And I would gladly bring them down for you if I thought it d make you grin

Refrão -----

**A**  
But tonight you re sleeping there with your mama  
**A** **E**  
and your daddy s all alone in a hotel room  
**A** **E**  
But I ve got your picture and just remember, I ll be coming back home soon  
**B7** **E**  
Goodnight my angel and goodnight moon  
-----

I like the way that your hair dangles in your eyes  
Deeper blues I ve never known, bluer than Montana skies  
And sometimes I wonder if you ll ever wonder like a do  
Either way I ll be your partner for as long as you want me to

Chorus
