

You Don't Know Me Anymore
Mike McClure

G

It could ve been easy

Em

It could ve been something

C

You could ve had everything

D

And now you re holdin nothin

G

I could ve hung around

Em

Watched it hit the ground

C

I cut the tires and let you fly

D

And I left there without a sound

Refrão -----

Em D

You don t know me anymore, do ya

C G

Perhaps you never did

Em D

It s a tragedy for sure

C D

When you keep yourself hid

C D

Lock the world outside the door

G

You don t know me anymore

Up in the mornin

Out on the highway

Another run-down bar

And another somebody come up to say

Play me an old song

Play me a memory

I got one foot down in yesterday

And one foot down where I wanna be

(Chorus)

You don't know me anymore, do ya
Perhaps you never will
It's a tragedy for sure, still
