The best song in that average album, but very easy if you play it along the CD

Beginning of the song (which is actually played by synths, but here arranged for guitar):

```
e|-----|
B|-----|
G|-----|
D|-----9-10-9-7-9-----9-7-5-7-9-|
A|7--7-----7--7-----|
E|-----|
```

...And that s all for the beginning! (you can play it almost all along the song if you add one octave to tab above, simply adding 12 frets to those numbers)

Now, the solos.

The first one:

```
e|-----|
B|-----|
G|-----9-11b9h11--9-11/--11/1211-9-11-----|
D|-----9-----9h10-9--7-9--7h9-|
A|7--9-----|
E|-----|
```

```
e|-----|
B|-----|
G|-----9-11b9h11--9-11/--11/1211-9-11--12-11~-----|
D|-----9-----|
A|7--9-----|
E|-----|
```

The second one:

```
e|--1010-----|
B|12-----13-12-10-12/1312-10-12/1313-----10-----|
G|-----9-11-12-----7-9-11/--|
D|-----|
A|-----|
E|-----|
```

...This one repeated a lot of times with some variations

Enjoy this song! I love playing it!

PS: if you ve got the chords for the accompainments please, send them to me at *
