**A** **C**  
This fortune brought to you,  
**G**  
Is it worth the pain, the suffering?  
**A** **C**  
Would you rather work sparingly without the stress  
**G**  
or is there such a thing?  
**A**  
Im crowded yet unlimited  
**C** **G**  
in this world of free enterprise  
**A** **C**  
Im shaking down to the rythm of a lost cause  
**G**  
but certainly its found by me

Intro

Pray hard sing out loud!  
I wonder if you ll bother me  
Im twisting back and forth  
My eyes are burning stronger now  
Im crowded yet unlimited  
in this world of free enterprise  
Im shaking down to the rythm of a lost cause  
but certainly its found by me

**A**  
Hey Cuz
