The Power Of Love (Mike Pinder)

**Bm** **E** **G** **F#m**  
There was some times when we worried, then we would laugh at ourselves

**Bm** **E**  
Too little money to pay so many bills

**G** **F#m**  
And try to put some food on the shelves

**Bm** **E** **G** **F#m**  
I can remember the good times, when we forgot all the bad

**Bm** **E** **G** **F#m**  
It wasn t easy to hang onto a dream, and make it through the trouble we had

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at us now, our dream and our love are alive

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at just how, the power of love can survive

**Bm** **E** **G** **F#m**  
Now love has bound us together, that factor can t be denied

**Bm** **E** **G** **F#m**  
So come on to me I m your loving man, I see your look of love in your eyes

**Bm** **E** **G** **F#m**  
You said you d love me forever, I said a hundred and five

**Bm** **E**  
Now you know darling I m gonna hold you to

**G** **F#m**  
That promise cause it keeps me alive

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at us now, our dream and our love are alive

**G** **Bm** **C** **G** **D**

Hey baby, take a look at just how, the power of love can survive

**Bm** **E** **G** **F#m**

Now love has bound us together, that factor can't be denied

**Bm** **E** **G** **F#m**

So come on to me I'm your loving man, I see your look of love in your eyes

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at us now, our dream and our love are alive

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at just how, the power of love can survive

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at us now, our dream and our love are alive

**G** **Bm** **C** **G** **D**  
Hey baby, take a look at just how, the power of love can survive
