% The world, is full of people, some are trying to lend a hand  
The first book, ever written, was a symbol of our home  
Oh sweet, loving music, I hear your tender call

**D7 Gm Gm7 Eb**

To help us learn to recognise, so we can understand  
It came from solar heaven, where our life wave was born  
To me you are a river, pure love your waterfall

**Gm Gm7 C F Bb**

That life holds many secrets, they stand before our doors  
We came in ships a-singing, the praise of one above  
A tide forever bathing, a rough and rocky shore

**D7 Gm Gm7 C / / /**

Admit the ones you re hiding now, so you may know them all  
Like children in a garden, our hearts were full of love  
Please take us on a journey, so we can learn some more

Of me and mine, and you and yours  
The pillar of fire, a luminous cloud

Just let them be and all the doors will open wide  
I know I ve seen them and they do make a sound
