Upside Down (Mike Pinder)

E F#m  
When your life is in confusion  
C#m7 Bm Bm7 A D A  
And you cannot find a place where you feel at home, you feel so alone  
E F#m  
Yet beyond this blue horizon  
C#m7 Bm Bm7 A D A  
Lies a land of mystery where the future s grown, including your own  
  
D F#  
When you feel your world is upside down  
G F#m A  
Just remember love can turn it around  
D F#  
And wherever life will lead you to  
G F#m A  
You re gonna find someone who feels like you  
  
Em C Em C  
Everybody has a love life, everybody has a right time  
  
Am Am7 D C G F#dim  
Everybody has a time to fall in love  
  
E F#m  
Long before your own conception  
C#m7 Bm Bm7 A D A  
Where there is no day or night or the pain of need, it then was agreed  
E F#m  
That you would make a connection  
C#m7 Bm Bm7 A D A  
An appointed rendezvous here in space and time, through love s work sublime  
  
D F#  
When you feel your world is upside down  
G F#m A  
Just remember love can turn it around  
D F#  
And wherever life will lead you to  
G F#m A

You re gonna find someone who feels like you

**Em**                                  **C**                                  **Em**                                  **C**  
Everybody has a love life, everybody has a right time
