(Verse 1)

**D** **A** **Bm** **G**  
Now, I can't stop checking my phone. Cause maybe you called, maybe you called.  
**D** **A** **Bm** **G**  
I play cool but, everyone knows, I'm falling falling, falling falling.

(Bridge)

**Bm** **A** **G**  
My friends are gonna cloud me, they're gonna tell everyone I'm whipped,  
whipped, whipped, I'm whipped whipped whipped.  
**Bm** **A** **G**  
But I don't even care cause, you make feel like I'm the shit shit shit, shit  
shit shit.

(Chorus)

**D** **A** **Bm**  
So here's another love song, woahhh. Here's another love song, woahhh.  
**G** **D**  
Here's another love song, but this one, this one's about you. So here's  
**A** **Bm**  
another love song, woahhh. Here's another love song, woahhh. Here's another  
**G**  
love song, but this one, this one's about you.

(Verse 2)

I know I'm moving to fast. But I can't help myself, for tryin to tell myself to  
slow down, slow down.  
And I feel like I'm 10 years old, but there's nothing I can do, to stop thinking  
about you,  
I'm falling in love and I'm proud.

(Bridge)

(Chorus)

(Verse 3)

**D** **A** **Bm** **G** **D** **A** **Bm**  
My baby. I wrote this for you. Yeahhhhh. So maybe, you'd be driving in the  
**A** **G** **D**  
car, turn on the radio, then hearing my voice come through like blahhhhh.

(Chorus)
