Cheated
Mike Posner

Verso 1:
```
Dm            F
No one can tell me
                Am                  G
That you we re right for me girl
Dm          F              Am                     G
You coulda told me, to run a lap around the world
Dm              F
All that time I was hypnotized
        Am              G
While you *moan* behind my back
Dm                F
Now my mind keeps me up all night
            Am              G
Why d you have to say bye like that
```
