

Come What May
Mike Stocksdale

A **E**
Come what may no one knows
B **D**
One day itâ€™s sunny and the next it snows
A **E** **A** **E**
So keep on rollin (along), come what may

A **E**
wet and wading through the shallow streams
A **E**
young john brody had some big olâ€™ dreams
D
said â€œi will leave this town
A
become a singer like my pappy was before he up and drownedâ€•
Bm **Dm**
one week later brody swam to his death
Bm **E**
even a bucket could ya â€™less you holdin your breath

A **E**
Come what may no one knows
B **D**
One day itâ€™s dried up and the next it flows
A **E** **A** **E**
So keep on rollin (along), come what may

A **E**
Drunk and driving down the boulevard
A **E**
Sweet jane benson had a life so hard
D
said â€œI will change my plan
A
become the woman I was meant to be without this awful manâ€•
Bm **Dm**
six drinks later janey gathered her pride
Bm **E**
but Even a bottle could kill ya if take it for a ride

A **E**
Come what may no one knows
B **D**
One day itâ€™s hidden and the next it shows
A **E** **A** **E**
so keep on rollin (along), come what may

A E

Soft and sinkin into modern life

A E

Bill hanesâ€™ ending came at such a price

D

said â€œI am getting old

A

no longer can I be that fearless one, so brave and boldâ€•

Bm

Dm

Bill died lonely, bored and out of touch

Bm

E

Even nothing can kill you if you have it too much

A E

Come what may heaven knows

B

D

The dimmest lights are often longest to glow

A E

So Iâ€™ll just keep on rollin along

A

E

keep on strollin along

A

E

I keep a cruise controlling along

A

come what may
