and he tears the business tags from his old suitcase
as he packs away the pieces of his life
they all love him but they always try to change him
thats what happens when a girl becomes a wife
and she pours herself another cup of coffee
as the pictures leave a clean spot on the wall
and it s in between the leaving and the loving
that s when looking backs the hardest part of all.

[Chorus]

F **C** **G**
where are your friends where are your children
F **C** **G**
is this your house is this your home.

does everybody.....sleep a lone.
