Cedars Bay - Mikey Wax

Walked outside today

ח

To see if the world ran on time

Bm G

Walked to Cedars Bay

)

To find out if love was a lie

Bm G

Said I wanted you, needed you

D A

Can t live without you tonight

Bm G

And the hardest thing

D

Is though it is wrong it feels right

Bm. G

And your heart ran empty

D Z

But my love was full

Bm G

And the time spent waiting

D A

Was no time at all

## Chorus:

D C

So come here

G C D C

I find the answer is really a question of timing

G C D C

Begging before you I barely see over your shoes

G C D C

You are the ocean I m just a vessel you re sinking

G C

And I find the reason I stayed here all season is wrong

Now the sun is gone

But some days the world lets it shine

But for most the time

It s always as dark as my mind

Said I wanted you, needed you

Can t live without you tonight

And the hardest thing

Is though it is wrong it feels right

And your heart ran empty
But my love was full
And the time spent waiting
Was no time at all

So come here

I find the answer is really a question of timing
Begging before you I barely see over your shoes
You are the ocean I m just a vessel you re sinking
And I find the reason I stayed here all season is wrong

Enjoy!
