Am

Am
and you re losing control, o-o-oh.

Em D
Higher, higher, higher we go. Tell me, tell me:

Am
Are we close enough to test the sun, the sun?

Tell me, tell me the journey s only just begun, begun.

Em
I-I-I-I m still standing!

Even when the rest are falling,

the rest are falling, the rest are falling.

Em

D
I-I-I-I m still climbing!

Am
Even when the best have fallen,

the best have fallen, the best have fallen.

Em D
You say, say my name.

Am
Cause once I get my head above the clouds,

I m never coming down.
