\*This Chord wouldnt show up on any chordfinder i tried.. the closest i could get to a name was when playing the D string open, and you get F#7th. I m aware this chord Sounds a bit wierd, but im convinced its very close to the chord played in the song.

If anybody knows the correct chord (if it isnt already!) please let me know!

**Bm F#m Gmaj7**  
Close your eyes and count to ten

**Bm F#m Gmaj7**  
My mouth has spoken without asking my mind again

**Bm F#m Gmaj7**  
For the second time today

**Bm F#m Gmaj7**  
I ve dug a hole that i must fill with an apology

**Bm**  
But now its far too late

**Gmaj7**  
Voices declare that they

**Bm F#7**  
Will not negotiate

They talk of pride before a fall  
Not every battle is critical to win a war  
Tomorrow i know i ll agree  
But now this stronghold has taken control of me

But now its far too late  
Voices declare that they  
Will not negotiate  
Feeling it has been lost  
somewhere along the way  
you have made your mistakes

The chorus goes like this...

**Em Fm F#m Fm Em Bm Amaj**

```
e --7----8----9----8----7----7----5----|
B --8----9----10---9----8----7----5----|
G --9----10---11---10---9----7----6----|
D --9----10---11---10---9----9----7----|
A --7----8----9----8----7----9----7----|
E -----7----5----|
```

Just have a listen to the song to get the strumming pattern and timing spot on :)

I havent completely figured out the next part of the song, but i when i do i ll

post it up,  
unless anybody can show me how its done!

This is my first proper tab, so please give me any corrections, and let me know  
if it  
work for you.

Cheers.
