Years Around The Sun Miles Away Capo 3 Intro: G Em D C C D Em we watch the light as it set from the sun all the ways we could run all the ways we could run C oh my, can you see the light from outer space? what was said what was done as the time had a ride all the ways we could run all the things we could try oh my, could you tell me Em where this is going to lead? and all the lights are shining on the sea as the rolling waves crash along the beach G and our minds were meant to sail

Em

Em

and our minds were meant to sail

Em

take a rest from our thoughts

C

take a brake from this world

Em

and we ll feel miles away

D

Em

from the places that we used to be

G

```
as we lay in the sand
and we stare at the sky
watch the moon dancing why
as the stars latch your eyes
oh my, there s no place on earth
i d rather be
С
in my eye this night just don t
    Em
feel real
                              D
but i can feel your touch
                                 C
         Em
promise you won t let go
and our minds were meant to sail
take a rest from our thoughts
take a brake from this world
and we ll feel miles away
                                          C
from the places that we used to be
and our minds were meant to sail
       Em
take a rest from our thoughts
take a brake from this world
               \mathbf{E}\mathbf{m}
and we ll feel miles away
from the places that we used to be
```
