                  **Am**           **F**           **C**           **C - G**

**Am**                           **F**                           **C**                           **G**  
its pretty hard to remember how it felt back then  
**Am**                           **F**                           **C**                           **C - G**  
the sun never shines on the same skin

**Am**   **F**   **C**   **G**  
kid you think that youre climbing but youre just pulling down  
**Am**   **F**   **C**   **C - G**  
you need so many things to walk around

**Am**           **F**           **C**           **G**  
**Am**           **F**           **C**           **C - G**

**Am**                           **F**                           **C**                           **G**  
twenty days in december it was all it took to decide  
**Am**   **F**   **C**   **C - G**  
to kill the thing we d cared to keep alive

**Am**                           **F**                           **C**                           **G**  
her body broke every daybreak spine ripped as she rose  
**Am**   **F**  
shes probobly still in some sick bed somewhere  
          **C**   **C - G**  
complaining bout the pain i suppose

**F**   **C**  
oh man what a drag to be burdened with a bag  
**G**   **C**  
of the brittle little bones of the dreams you had  
**F**   **C**  
when you find out youll never have it as good  
  **G**  
as the nothing youve had

**Am**           **F**           **C**           **G**  
**Am**           **F**           **C**           **C - G**

**Am** **F** **C** **G**  
 you re pretty good at forgiving what hasnt happened yet  
**Am** **F** **C** **G**  
 I said Knock knock, Whos there? Whos there??? you said youd never forget

**Am** **F** **C** **G**  
**Am** **F** **C** **C - G**

**Am** **F** **C** **G**  
 the only thing that youre sure of is that you just cant decide  
**Am** **F**  
 one day youre finally gonna fail at fooling yourself  
**C** **G**  
 that youre living some kind of life  
  
 and you know that its a lie

**F** **C**  
 oh man what a drag to be burdened with a bag  
**G** **C**  
 of the brittle little bones of the dreams you had  
**F** **C**  
 when you find out youll never have it as good  
**G**  
 as the nothing youve had

**F** **C**  
 oh and i do not believe and i laugh as i grieve  
**G** **C**  
 and i blow out those bodies breathed in off the breeze  
**F** **C** **G**  
 that fall when our friends fell as fast as the leaves  
  
 and its your summer of fear

**F** **C** **G**  
  
 might last o month day a week  
 or a whole damn year  
 can you feel it drawing near?  
 In every port in every pier  
 whispered in your ear  
 can you hear it as you crawl  
 over writing on the wall  
 in every curtain every call  
 in your dormitory hall  
 where all in all is all in all.....

**Am** **F** **C** **G**  
 you re pretty good at forgiving what hasnt happened yet  
**Am** **F** **C** **G**

I said Knock knock Whos there? Whos there? you said youd never forget  
end on **Am**
