Its a long short road
Am **F**
And its gonna leave you on the wrack
G **F** **C**
What you don t know

You re not saying that you wont be long
Just that we don t belong
You re not saying you won t string me along
Just not for long

Angeline acts oh as if shes under attack
If its so bad baby why don t you come back
Its a long short road

However it works out
Am **F** **C** **G** (etc)
However it finds you down and beaten down
Where ever you run
Its like you re trying to escape the sound
And you ll never live this down
You ll never scape the sound
Never scape from the sound
