Version 1.0

Tuning: Standard
Key: G Major

Alright ladies and gents, here we have a tab for the Miles Kane tune entitled
My
Fantasy from his as of now untitled debut record coming out in May (probably)
These
here are
the chords for the acoustic version that Miles played live for Fly TV about a
week ago.
It s a pretty simple song with no overly complicated chords so it should be easy
for all
the beginners, let s jump into it. As usual, email me if you have any problems.
(Ignore
the lyrics, they re probably not final and/or wrong)

Intro
G Em

Verse 1
G Em
When I turn to my favourite hideaway,
G Em Am
My hand on hip will always be the same,
F G Em
Only half the plan,
G Em
Once I thought that I was over you,
G Em Am
Now youâ€™re back and I m falling like a fool,
F G Em
You know the one I am.

G Em

Chorus 1
Em Am
I m ridiculed by my fantasy,
Em Am
Scheduling insanity,
Em Am

My eagerness comes to tangled,

D

I can t handle you.

G Em

Bridge 1

I can sense, it will be a thrill,

D G Bm Am D

keeping up with you.

G Bm Am

I can sense, it will be a thrill,

D G Bm Am D

keeping up with you.

Verse 2

G Em

I m going round, around this bunch of keys,

G Em Am

So let me in cause I m about to freeze,

F G Em

With my jealousy,

G Em

Trying Hard to persuade myself,

G Em Am

That you aren t everything I need,

F G Em

But my tricks are weak.

G Em

Chorus 2

Em Am

I m ridiculed by my fantasy,

Em Am

Scheduling insanity,

Em Am

My eagerness comes to tangled,

D

I can t handle you.

G Em
