Telepathy
Miles Kane

F#m Bm F#m

F#m
I can feel you searching round my brain
F#m
Looking for a way to make a wave
F#m
Falling out and in
F#m
In and out again
F#m
Until our falling thoughts cascade together

D   Bm
Telepathy to the rescue
F#m   Bm   D   Bm
Just look at me and i will let you know
                      F#m
I will let you... know

F#m Bm F#m

F#m
I can see you making little flames
F#m
All along the path to guide the way
F#m
Floating out and in
F#m
In and out again
F#m
Until our falling thoughts cascade together
