

Tonight
Miles Kane

Tuning: standard

G/Am means a quick slide from the **G** to **Am**, same for **C/Dm**.

F* means, play the **F** bar chord on the first fret with an open low e-string and hammer on quickly on the low e-string on the first fret.

	G	Am	F	Dm	C	E	
e	-----	-----	-----	-----	-----	-----

Verse:

The chords of the verse are **Am G/Am G/Am G/Am G F F* Dm C/Dm**

You re guilty, it s proven
 It s written all over your face
 My instincts are burning,
 Are gauging up beyond the pace
 You re childish, you re frightened
 You re freezing
 Right down to the bone
 I m bloodshot, I m ready to come
 And give you what I owe

Chorus:

The following chords are played 3 times, the fourth time replace the G chord with the chords in the brackets.

F Dm Am G [Am Am G Am]

Tonight, I want to forget forever
 Tonight, so let s come togheter
 Tonight, I want to forget forever
 Tonight

Verse:

Am G/Am G/Am G/Am G F F* Dm C/Dm

Embellished in the story,
It s growing bigger by the hour
It s a tough one
It s a rough one
The excitement of the chase
I ll meet you on the corner
In the cold midnight hour
So stand up, line up
Stand up for your shot in the dark

Chorus:

F Dm Am G [Am Am G Am]

Tonight, I want to forget forever
Tonight, so let s come togheter
Tonight, I want to forget forever
Tonight

Solo/bridge:

The start of the bridge is only bass, but you can play the chords **Am C Dm F**.
When
the guitar comes in the same chords are played. End the bridge with an **E** chord

I ve noticed things changing
Is it too late for us now baby?
I ve noticed things changing
Is it too late for us now honey?
Is it too late?
It s never too late

Chorus:

F Dm Am G [Am Am G Am]

Tonight, I want to forget forever
Tonight, so let s come togheter
Tonight, I want to forget forever
Tonight
