Adore You
Miley Cyrus

I really love this song! I wanted to jump on my guitar and play it as soon as I heard it.
It s a really simple song.
Enjoy playing it!

```
C#     F#     Bbm
Oh ohhh
C#       F#       Bbm
Hey oh ohhh
C#
Ooh
```

```
    F#     Bbm    C#                    F#           Bbm
Baby, baby are you listening?
   C#                                  F#       Bbm             C#
Wondering where you ve been all my life
            F#           Bbm
I just started living
C#   F#     Bbm     C#                 F#          Bbm
Oh baby, are you listening? Ohh
```

```
                C#
When you say you love me
        F#                           Bbm
Know I love you more
                        C#
And when you say you need me
        F#                           Bbm
Know I need you more
          C#
Boy I adore you
F#                           Bbm
You oh oh oh oh
    C#        F#                       Bbm
I adore you oh oh oh oh
```

```
C#                    F#                   Bbm
Baby can you hear me?
                  C#                   F#         Bbm
```

When I m crying out for you
```
     C#                  F#                        Bbm
```
I m scared oh I m so scared
```
                    C#
```
But when you re near me
```
   F#                                  Bbm
```
I feel like I m standing with an army
```
C#                                    F#          Bbm
```
Of men armed with weapons
```
C#             F#      Bbm
```
Hey ohhh

```
              C#
```
When you say you love me
```
        F#                          Bbm
```
Know I love you more
```
                      C#
```
And when you say you need me
```
        F#                          Bbm
```
Know I need you more
```
          C#
```
Boy I adore you
```
F#                              Bbm
```
You oh oh oh oh
```
     C#        F#                          Bbm
```
I adore you oh oh oh oh

```
F#                        Bbm          C#
```
I love lying next to you
```
                                       F#
```
I could do this for eternity
```
            Bbm     C#
```
You and me
```
                       F#
```
Were meant to be in holy matrimony
```
Bbm                    C#                                    F#
```
God knew exactly what he was doing
```
                                     Bbm      C#
```
When he lead me to you

```
              C#
```
When you say you love me
```
        F#                          Bbm
```
Know I love you more
```
                      C#
```
And when you say you need me

```
            F#                              Bbm
Know I need you more
          C#
Boy I adore you
F#                              Bbm
You oh oh oh oh
      C#        F#                          Bbm
I adore you oh oh oh oh

                    C#
When you say you love me
            F#                              Bbm
Know I love you more
                        C#
And when you say you need me
            F#                          Bbm
Know I need you more
          C#
Boy I adore you
F#                              Bbm
You oh oh oh oh
      C#        F#                          Bbm
I adore you oh oh oh oh
```
