Till I hear the bell ring
Cause it s the time when, the time when

Let the party start,
We re gonna stay out,

Uh-Oh! all over again,

Weâ€™re gonna breakout,
Everyone we know,
Weâ€™re gonna have some fun,
Weâ€™re gonna lose control,
It feels so good, let go

I wish it would never end
Stand in time with my friend
Oh, its my prayer

Breakout,
Let the party start,
We re gonna stay out,
Iâ€™m gonna break some hearts,
Weâ€™re gonna dance till the dance floor falls apart,
Uh-Oh! all over again,

Weâ€™re gonna breakout,
Everyone we know,
Weâ€™re gonna have some fun,
Weâ€™re gonna lose control,
It feels so good, let go

Breakout,
Let the party start,
We re gonna stay out,
Iâ€™m gonna break some hearts,
Weâ€™re gonna dance till the dance floor falls apart,
Uh-Oh! all over again,

Weâ€™re gonna breakout,
Everyone we know,
Weâ€™re gonna have some fun,
Weâ€™re gonna lose control,
It feels so good, let go
