Miley Cyrus

C **Em**
Eyes are strange, they say everything
C **Em**
While I m lost, they just try to sing
Bm **Am**
Singing something, I can never
Em **B7** **Em**
Fall forever and ever
C **Em**
So I try to understand it all
C **Em**
But I fell to live it up
Bm **Am**
I m still standing here forever
Em **B7** **Em**
Without sunshine in my mind

Chorus:

C
Yeah I ve been alive
Em
But I ve been a liar
C
Yeah I ve been alive
Em
But I ve been a liar
Bm
There s some kind of love
Am
That s so much higher
Em **B7**
Yeah I ve been alive
Em
But I ve been a liar

Em **B7** **Em**
I ve seen the Sun come up and I ve kissed the moon

I ve heard voices, through the fog

I ve seen figures, in my bed

I feel protected by things I don t understand
