Verse 1:

```
      G                          Cadd9
We both lie silently still, in the dead of the night.

      G                          Cadd9
Although we both lie close together, we feel miles apart inside.

      G                          Cadd9
Was it something I said, or something I did,
      G                          Cadd9
did my words not come out right?

      D                          C
Though I tried not to hurt you, though I tried, but I guess that s why they say
```

CHORUS

```
      G                          Cadd9
Every rose has its thorn.

      G                          Cadd9
Just like every night has its dawn.

      G      D      C
Just like every cowboy sings a sad, sad song.

      G      C
Every rose has its thorn.
```

[Bridge and solo - I just play **G-Cadd9-G-Cadd9**

Verse 2:

```
      G                          Cadd9
Listen to our favorite song, playing on the radio.

      G                          Cadd9
Well the DJ says loves a game of easy come and easy go.

      G      Cadd9      G      Cadd9
But I wonder, does he know, has he ever felt like this.

      D                          C
Well I know that you d be here right now if I

coulda let you know somehow, I guess
```
