Capo 1

Intro

G# Eb Bbm C# x2

G# Eb

These four walls

Bbm C#

They whisper to me

G# Eb

They know a secret

Bbm C#

I knew they would not keep

Fm Eb

It didn't take long

Bbm Fm

For the room to fill with dust

G# Eb Bbm Eb

And these four walls came down around us

C# G# Eb Fm

It must have been something to send me out of my head

C# G# Eb Fm

With the words so radical and not what I meant

(stop)

So I,

C# G# Eb Fm

I wait for the silence cause it's all that you left

C#

Just me and these four walls again

G# Eb

Bbm C#

It's hard now to let you be

{Repeat chords from last verse}

I won't make excuses

I've made my peace

It didn't take long

For me to lose the trust

Cause these four walls

Were not strong enough

It must have been something to send me out of my head

With the words so radical and not what I meant

So I,

Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
These four walls again
