And these four walls came down around us

It must have been something to send me out of my head

With the words so radical and not what I meant
(stop)

So I,

Bb **F** **C** **Dm**
I wait for the silence cause it s all that you left

F C

Gm **Bb**
It s hard now to let you be

{Repeat chords from last verse}

I won't make excuses
I've made my peace
It didn't take long
For me to lose the trust
Cause these four walls
Were not strong enough

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,

Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
These four walls again
