

Four Walls
Miley Cyrus

Capo 1

Intro

A E Bm D x2

A **E**
These four walls
Bm **D**
They whisper to me
A **E**
They know a secret
Bm **D**
I knew they would not keep
F#m **E**
It didn't take long
Bm **F#m**
For the room to fill with dust
A **E** **Bm** **E**
And these four walls came down around us

D **A** **E** **F#m**
It must have been something to send me out of my head
D **A** **E** **F#m**
With the words so radical and not what I meant
(stop)
So I,
D **A** **E** **F#m**
I wait for the silence cause it's all that you left
D
Just me and these four walls again

A E

Bm **D**
It's hard now to let you be

{Repeat chords from last verse}
I won't make excuses
I've made my peace
It didn't take long
For me to lose the trust
Cause these four walls
Were not strong enough

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,

Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
Just me and these four walls again

It must have been something to send me out of my head
With the words so radical and not what I meant
So I,
Wait for the silence cause it s all that you left
These four walls again
