[Verse 2]
Another chapter in the book cant go back but you can look
And there we are on every page
Cadd9
Memories I'll always save
Up ahead on the open doors
Who knows what were heading towards?
I wish you love I wish you luck
Cadd9
For you the world just opens up
But it's so hard to say goodbye
[Chorus]
                         Em
Yesterdays gone we gotta keep moving on
I'm so thankful for the moments so glad I got to know ya
The times that we had I'll keep like a photograph
Cadd9
And hold you in my heart forever
I'll always remember you
[Bridge]
Am
Everyday that we had all the good all the bad
I'll keep them here inside
All the times we shared every place everywhere
You touched my life
Am
Yeah one day we'll look back we'll smile and we'll laugh
But right now we just cry
Cause it's so hard to say goodbye
[Chorus]
                         Em
Yesterdays gone we gotta keep moving on
I'm so thankful for the moments so glad I got to know ya
The times that we had I'll keep like a photograph
```
