

**Love That Lets Go**  
**Miley Cyrus**

Hey, this is my first tab and i m sure it s fine. the F is on the 3rd fret but it doesn t tell u that. strumming is just down and up when you change between chords.

Capo 2nd/3rd fret depending on your voice

Intro: **F, D, Em A**

Verse 1:

**F**  
Thereâ€™s a gold frame that sits by the window  
**D** **Em**  
And my heart breaks a little more each time I try  
**A**  
To picture the memory inside  
  
**F**  
Thereâ€™s an old book thatâ€™s too hard to read it  
**D** **Em**  
But if you look youâ€™d see now you look through me eyes  
**A**  
And now one more chapterâ€™s gone by, and I knowâ€¦

Chorus:

**G**  
Itâ€™s time to move on and even though Iâ€™m not ready  
**D**  
Youâ€™ve got to be strong just where youâ€™re heading  
**Em**  
And even though itâ€™s not easy  
**A**  
I know the right kind of love  
**G**  
Doesnâ€™t wanna miss the future  
**D**  
Standing in the past it will always hold on  
But never hold you back  
**Em**  
And even though itâ€™s not easy  
**A**  
Right now, the right kind of love  
**F**  
Is the love that lets goâ€¦

Em A

Outro:

**F, Em, A, F** (One Strum)

I know it s not the whole song, but it s the same all the way through. :)

Please comment :)
