

Love That Lets Go
Miley Cyrus

Hey, this is my first tab and i m sure it s fine. the F is on the 3rd fret but it doesn t tell u that. strumming is just down and up when you change between chords.

Capo 2nd/3rd fret depending on your voice

Intro: **E, C#, Ebm G#**

Verse 1:

E
Thereâ€™s a gold frame that sits by the window
C# **Ebm**
And my heart breaks a little more each time I try
G#
To picture the memory inside

E
Thereâ€™s an old book thatâ€™s too hard to read it
C# **Ebm**
But if you look youâ€™d see now you look through me eyes
G#
And now one more chapterâ€™s gone by, and I knowâ€¦

Chorus:

F#
Itâ€™s time to move on and even though Iâ€™m not ready
C#
Youâ€™ve got to be strong just where youâ€™re heading
Ebm
And even though itâ€™s not easy
G#
I know the right kind of love
F#
Doesnâ€™t wanna miss the future
C#
Standing in the past it will always hold on
But never hold you back
Ebm
And even though itâ€™s not easy
G#
Right now, the right kind of love
E
Is the love that lets goâ€¦.

Ebm **G#**

Is the love that lets go

Outro:

E, Ebm, G#, E (One Strum)

I know it s not the whole song, but it s the same all the way through. :)

Please comment :)
