

Miss You So Much
Miley Cyrus

[Intro] G C G C

G C
They say love can drive you crazy, my dear
G
I wanna trap you in a locket, or in my pocket
C
So I can keep you near
G
You know I d never hurt you
C
If you fall, I d pick you up and I d drink your tears
G C
But how can I miss you so much when you re right here?
G
They say good things come to those who wait
C
It s like countin in light years
G
I d physically live without you, but I don t want to
C
And death s never been my fear
G
You can take my blood, take my bones
C
My heart is yours, I volunteer
G C
But how can I miss you so much when you re right here?
G
When you look up at a rainbow
C
Do you ever wonder what s really waiting at the end?
G
I don t want no gold, nothing s more than you
C
The amount is hard to even comprehend
G
Nothing I can do, I lost control
C
Something we hold on to so dear
G C
But how can I miss you so much when you re right here?
G C
And how at this optimal time did you just appear?

G
Everyone under their guard is so full of shit

C

But you are just so sheer

G
You re my God, you re my faith

C

On my knees, I look at you and I revere
