

**Need A Little Love**  
**Miley Cyrus**

CAPO 2

(Miley)

**D** **Em**  
When the darkness leaves you lonely,  
**G** **D**  
Or the world tried to push you away  
**D** **Em**  
When your ski is looking troubled  
**G**  
You can count on me  
**D**  
cause I m gonna stay

(Sheryl)

**Bm**  
Put your worries in my pocket  
**Em**  
I ve got a key so we can lock it  
**G** **D**  
I swear that, I won t let them escape

(Miley/Sheryl)

**D** **G**  
Love, it s always worth it love  
  
Everyone deserves it  
**Bm**  
Is the friend that holds your hand  
**G** **A**  
When nobody understands

(Miley)

**D** **G**  
Love, it wants to heal you, love  
**Bm**  
It see the real you  
**G**  
But you have to open up  
**A** **D**  
When you need a little love

(Miley/Sheryl)

If there s something you re in need of (you re in need of)  
You only have to let me know  
I ve got a shoulder you can lean on  
& I m always (always) right up the road

(Miley/Sheryl)  
Put your fears in\* my pocket  
I ve got\* a key so we can lock it  
And no one (no one), won t let them escape

(Miley/Sheryl)  
Love, it s always worthing love  
Everyone deserves it  
Is the friend that holds your hand  
When nobody understands

(Miley/Sheryl)  
Love, it wants to heal you, love  
It see s the real you  
But you have to open up  
When you need a little love

(Miley/Sheryl)  
**C** **G** **D**  
Every night when your heart is praying for peace  
**A**  
A noise in your head, yeah  
**C** **G**  
There s a light that is yours too keep  
**A**  
And brighter than all the rest

(Miley/Sheryl)  
**E** **A**  
Love, it s always worthing love  
  
Everyone deserves it  
**C#m**  
Is the friend that holds your hand  
**A** **B**  
When nobody understands

(Miley/Sheryl)  
**E** **A**  
Love, it wants to heal you, love  
**C#m**  
It see the real you  
**A**  
But you have to open up  
**B** **E**  
When you need a little love
