

Need A Little Love
Miley Cyrus

CAPO 2

(Miley)

D **Em**
When the darkness leaves you lonely,
G **D**
Or the world tried to push you away
D **Em**
When your ski is looking troubled
G
You can count on me
D
cause I m gonna stay

(Sheryl)

Em
Put your worries in my pocket
Em
I ve got a key so we can lock it
G **D**
I swear that, I won t let them escape

(Miley/Sheryl)

D **G**
Love, it s always worth it love

Everyone deserves it

Em
Is the friend that holds your hand
G **A**
When nobody understands

(Miley)

D **G**
Love, it wants to heal you, love
Em
It see the real you
G
But you have to open up
A **D**
When you need a little love

(Miley/Sheryl)

If there s something you re in need of (you re in need of)
You only have to let me know
I ve got a shoulder you can lean on
& I m always (always) right up the road
