Im not your robot, im just me

F#, A, E, B

All this time, Ive been misled

There was nothing but cross-wires in my head

Ive been taught that what I feel doesn t matter at all

so you say its real

I will scream, but im just this hallow shell

Waiting here, begging please

set me free, so I can feel HEY

Stop trying to live my life for me

I need to breath, im not your robot

Stop telling me im a part of this big machine

Im breaking free, cant you see

I can love, I can speak

Without somebody else operating me

You gave me eyes, so now i see

Im not your robot, im just me

Im not your robot, im just me

Im not your robot

I will scream, but im just this hallow shell

waiting here, breaking free

set me free, so I can feel HEY

Stop trying to live my life for me

I need to breath, im not your robot

Stop telling me im a part of this big machine

Im breaking free, cant you see

I can love, I can speak

Without somebody else operating me

You gave me eyes, so now i see

Im not your robot, im just me

Im not your robot, im just me

Im not your robot
