**Miley Cyrus**

Letra y acordes de Someone Else

(Lyric and music by *Thomas, Miley Cyrus, Maureen McDonald*)

LAm

If you re looking for love

FA

Know that love don t live here anymore

DO

He left with my heart

SOL

They both walked through that door without me

LAm

If you re trying to find pity

FA

well you need to look somewhere else

DO

Cause I surely can t help you

SOL

I m hurting myself I ve turned into someone else

LAm

I used to believe love conquered all

Cause that s what I ve seen in movies

FA

Come to find out it s not like that at all

SOL

You see real life s much different

LAm

I don t wanna see you go, I only wanna see you smile

It hurts so much just thinking of, felt like this for awhile

FA

I can t stand to see us fail, We cried we lied cannot pretend

SOL

to take us back To what we had, to make us feel alive again

(Silence) or LAm

Hold me close, don t let me go, I hope

SOL

Tell me that now is not the end...

LAm

If you re looking for love

FA

Know that love don t live here anymore

DO

He left with my heart

SOL

They both walked through that door without me

LAm

If you re trying to find pity

FA

well you need to look somewhere else

DO

Cause I surely can t help you

SOL

I m hurting myself

LAm

I ve turned into someone else...

FA SOL

... I ve turned into someone else

LAm

I used to believe love conquered all

Cause that s what I felt when you held me

FA

I thought you d catch me if I fall

SOL

And fill me up when I m empty

LAm

I don t wanna see you go, I only wanna see you smile

It hurts so much just thinking of, felt like this for awhile

FA

I can t stand to see us fail, We cried we lied cannot pretend

SOL

to take us back To what we had, to make us feel alive again
