C G
It gets harder everyday

C G
And Im sorry its this way
Am F
But Im coming home, ill be coming home
C G F
And if you ask me I will stay, I will stay

Well I tried to live without you
But tears fall from my eyes
Im alone and I feel empty
Im torn apart inside

I look up at the stars
Hoping you are doing the same
And somehow I feel closer
And I can hear you say

Oooohh I miss you
Oooohh I need you
And I love you more than I did before
And if today I dont see your face
Nothings changed, no one can take your place
It gets harder everyday
Say you love me more than you did before
And Im sorry its this way
But Im coming home, Iâ€™ll be coming home
And if you ask me I will stay, I will stay, always stay

I never wanna lose you
And if I had to I would choose you
So stay, please always stay
Youre the one that I hold on to
My heart would stop without you

I love you more than I did before
And if today I dont see your face
Nothingâ€™s changed, no one can take your place
It gets harder everyday
Say you love me more than you did before
And Im sorry that its this way
But Im coming home, ill be coming home
And if you ask me I will stay, I will stay, ill always stay
And I love you more than I did before
And Im sorry that itâ€™s this way
But Iâ€™m coming home, ill be coming home
And if you ask I will stay, I will stay, I will stay
